NO. 49

TUESDAY'S BLAZE.

An alarm from box 25, at 11:30 a. m., on Tuesday, called the fire boys to the Southern Varnish Co.'s plant, on Ann street (at the old brewery), where there was a red hot blaze, but it was burning where little damage could be done as it was simply the vapor arising from some offal of the varnish factory. It was soon extinguished, after the boys arrived, and the loss was some \$50 or \$100.

A peculiar thing happened, which caused delay. When the indicator rung in the alarm it showed No. 15 as the box from which the alarm came in, when it should have been No. 25.

The boys never stopped to hear what the bell in the tower called for, but went on the run to No. 15, on Shelby street, South Side, when No. 25 is on Ann street, North Side.

However the bell continued to strike No. 25, and when the boys found there was no fire on the South Side, they came back with all speed.

It was a long, hard run for the horses and they were pretty well used up when they got back to headquarters again.

A PERFECT PAINLESS PILL.

Is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leaves a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are Dr. Williams' Little Early Risers. Bob Moore, of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while Dr. Williams' Little Early Risers are simply perfect." Sold by J. W. Gayle.

TO ISSUE \$30,000 IN BONDS.

The City Council, at its meeting on Monday night, authorized the issue of \$30,000 in municipal bonds to take up the floating debt of the city. There are some grave legal questions involved in this matter and the courts may be called upon to pass upon them before the bonds are issued.

THE WEATHER.

Monday and Tuesday mornings the weather was really cool and heavy cover was necessary both Sunday and Monday nights. But, by 2 o'clock Tuesday, the mercury had crawled up again and the question was asked "aint it hot?"

SMALL FIRE.

At 3:45, on Tuesday afternoon, an alarm from box 35 called the department to a small brick cottage, on Clinton street, the property of Mr. W. B. Jones, where a blaze in the roof burned a hole. The damage was small.

AN UGLY CUSTOMER.

Our old-time friend, Mr. Burbridge Blackburn, of Woodlake, brought to our office a few days since, a shark's head, which shows that the animal or fish who carried it must have been an ugly customer when alive and in the water.

The mouth was 10 1/2 inches in diameter and had six rows of teeth, one set being fixed and the others movable, so that, when necessary, the whole set could be operated. The teeth were as sharp as knives and would work destruction to anything within their grip.

The fish was killed by Mr. Lou Herndon, of Florida, who is a nephew of Mr. Blackburn. Mr. Herndon had killed another shark, which weighed 300 pounds, but he kept the head himself. He did not weigh the one spoken of above.

NEARLY FORFEITS HIS LIFE.

A runaway almost ending fatally, started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c. at all druggists.

MONDAY'S FIRES.

Just before 9 o'clock, Monday morning, an alarm from box 24 called the firemen to the residence of Mrs. Lucinda Price, colored, just beyond the city limits, on Holmes street. The house, which was a two-story frame, was completely gutted by the flames, which had a big headway before the alarm came in. The loss was about \$1,000 or \$1,500. We did not learn whether there was any insurance or not.

Just as the boys had all their hose rolled up, ready to return to the fire department quarters, a fire was discovered in the residence of Mr. R. J. Blackaby, some square or more this side of the first fire.

It seems that a cabinet organ was sitting close to the fireplace, in the house, when a spark from the chimney set the instrument on fire. It was about ruined by the fire and water thrown from buckets.

HAS ACCEPTED NICE POSITION.

Mrs. G. W. Riggan (widow of the beloved Baptist minister, formerly a Professor in the Southern Baptist Theological Seminary, at Louisville, and pastor of the Forks of Elkhorn Church), who has been spending the summer, in this city, has accepted a position in the boarding school for young ladies, of Mrs. Laura B. Cross, in Louisville. Mrs. Cross is a very highly educated lady, being a Ph. D. of the University of Pennsylvania and has been teaching for nine years. In addition to her school, which is of a very high order, Mrs. Cross had added a boarding department for young ladies—a long-looked-for in Louisville.

In employing Mrs. Riggan, as additional teacher, Mrs. Cross has secured an exceptionally well qualified lady. She is of pleasing address, very highly accomplished and thoroughly educated. We congratulate Mrs. Cross as well as Mrs. Riggan, upon this arrangement.

ANOTHER BIG EXCURSION PARTY.

The good steamer Falls City brought to this city, on Tuesday, another big excursion party bound up the river. The steamer was here some time unloading and the excursionists, many of them, came up in the city to view points of interest. Afterwards they went on up the river.

The Falls City is a nice boat for such purposes and will run her regular Saturday night excursion from here to-night.

KENTUCKY STATE COLLEGE CAN NOT BE EXCELLED.

By reference to its advertisement, in another column, it will be seen that Kentucky State College will re-open for the next year on Monday, September 13th.

This college is better equipped and offers more inducements to young men and young women seeking a first-class education in any of its many departments than any college of the State.

Especially are the graduates of the department of Engineering (Electrical, Mechanical and Civil) in demand as soon as they come from its course of study.

We would commend this College to our wide-awake and up-to-date young men.

A SWEET BREATH.

Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies, but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by J. W. Gayle.

A GOOD CAUSE.

A good meeting of the friends of the Kentucky Children's Home Society was held at the Y. M. C. A. rooms, on Tuesday night, to take steps looking to assisting the above Society over its hard place rendered so by their failure to obtain the \$10,000 appropriated to them by the last Legislature.

It was resolved to have an entertainment for the purpose indicated on Friday evening, August 19, from 8 to 10 o'clock, at the Courtthouse.

Miss Jennie G. Ines was made Chairman, and Mrs. Mary B. R. Day Secretary of the Committee.

It was also resolved to appoint a committee of ten ladies from each of the city churches to assist in the work of raising the amount of money this city and county should contribute.

BUY THEIR HOME.

Misses Jeffers have purchased the building now occupied by them as a boarding house. It is a part of what is known as the Old Mansion House, on Main street.

BADLY INJURED.

AFTER MANY YEARS.

Capt. S. W. Swift, now of Springfield, Mass., but formerly Chief of the first paid fire department of this city, came here on Monday last, en route to the World's Fair. Capt. Swift, though now eighty years old past, carries his age remarkably well and seems but very slightly older than when here twenty-six years ago. He and his good wife determined to visit their old home on their way West.

A SUCCESS.

The picnic given by the Y. M. I. on Tuesday last, at Cove Spring Park, was well attended and was greatly enjoyed by all present. The dancing was kept up until a late hour. The fire works were very pretty though there was not as much of them as would have been desirable.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overrated. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to warm climates, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists. 1 yr.

FRANKFORT, AUG. 13, 1904

PITTSBURG LETTER.

We have received the following letter, which speaks for itself:

Pittsburgh, Pa., Aug. 6, 1904.
2014 Centre Ave.

I received your postal in due time contents noted and I return sincere thanks for copy of Frankfort Roundabout, July 13, Kentucky Journal of July 12th, also for copies of Evening Call of July 14th and 16th.

"I was deeply interested to learn the particulars of Rev. George Barsie's death. I remembered his interest in the welfare of humanity during the glorious campaign of temperance in Frankfort during the years of 1877-78, and when I read of his death in Pittsburgh papers I at once sent telegram of condolence to his dear wife, which was on the morning of the funeral day.

"I called last week on the deceased's brother here and learned of the universal sorrow and gloom which followed the announcement of the sudden taking away of our good friend, which I am aware was a great shock to his relatives and friends, as well as to the public in general, of your city, and of course to his many friends at a distance.

"I recall him as a man who was indeed 'pure in heart,' one who was a worker in the great vineyard of the Maker of all mankind, and one who was ever anxious for the general welfare of humanity—and I am sure all will unite in saying of him 'Well done good and faithful servant.'

"Therefore repose in perfect bliss And from thy labors rest,"
Oh, good and faithful friend to us, Be thou forever blest.

"Trusting you will convey my condolence again to his dear wife and many friends, with whom I join in deep sorrow over the loss of their beloved dead. And thanking you for courtesy received, and with best wishes to you and all my dear friends, I remain,

"Yours very respectfully,

"RICHARD ENNIS."

Grip's

Grim Grasp Caused Heart Disease.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nerve Cured Me.

Mrs. H. R. Jobe, formerly of Birmingham, Ala., writes from Edridge, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nerve and Heart Cure. I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nerve. I felt better after the first few doses and two bottles of Nerve and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

THE LAST OF THE SERIES.

The Rev. O. L. Powers, of Wood, lake, pastor of Providence Baptist Church, on Sunday night last, preached the last of the series of sermons which he had been engaged to deliver at the First Baptist Church of this city, during the absence of the pastor, Rev. M. B. Adams.

His theme was "The Cedars of Lebanon," from the text "He Shall Grow Like a Cedar in Lebanon."

It was an earnest and eloquent plea for higher, purer, more peaceful and better living upon the part of Christians, and a searching talk to the unconverted to turn from evil and learn to do well.

The earnest preacher held the vast audience as still as death from the first to the last sentence of his discourse.

We desire to return our sincere thanks to this promising young minister for the exquisite pleasure he has given to so many of our citizens in the series of sermons he has preached here.

We hope we may have the pleasure of again hearing him.

Croup instantly relieved. Dr. Thomas' Electric Oil. Perfectly safe. Never fails. At any drug store.

A FINE SERMON.

We had the pleasure, on Sunday morning last, of hearing a sermon by Rev. W. L. McEwan, D. D., of Pittsburgh, Penn., from the text "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of Heaven, but he that doeth the will of my Father."

It was a strong presentation of the truths of the text, and at the same time he took occasion to cheer the people of God with the proofs of the fact that the world is growing better, saying that under all the discouragements that may and have come, there were more than the old time "seven thousand who had not bowed the knee to Baal," and who were consecrated to the service of the Master.

It was a sermon full of power and encouragement to higher and better living among Christians.

CONCERNING AUSTRALIAN BABIES.

An editorial in Harper's Weekly calls attention to a report just issued by the government of New South Wales, by which it appears that in that Colony, and in Australia at large, there has been for the last thirty years a progressive decline in the birthrate. This is attributed by Harper's Weekly to "the domination of the working man and the voting woman." Women have only had the ballot in New South Wales since 1902, and in Australia at large they voted for the first time on December 16, 1903. Therefore, if the birthrate has been decreasing steadily for thirty years, it can hardly be a result of woman suffrage.

In England, Scotland and Ireland, where women vote for all officers except members of Parliament, families are generally large. In America, where women do not vote, families have become so small as to lead to a widespread discussion of "race-suicide." From this it would seem that the size of families is determined by influences that have little to do with the ballot.

To lay the lessening birthrate of Australia to "the domination of the working man," is almost as absurd as to lay it to "the voting woman." Whatever criticisms may be made upon working men, they generally have larger families than the rich.

DEATH OF EX-SENATOR GEORGE GRAHAM VEST.

Ex-Senator George Graham Vest, of Missouri, died on Tuesday last, at his home at Old Sweet Springs, in that State, aged 74 years. Mr. Vest was born in this city, educated at the famous Sayre Academy, afterwards graduating from Center College, Danville, and the Law Department of Transylvania University, Lexington. He was the son of the late Mr. John H. Vest. He leaves one sister, Mrs. Mary Ellen Batchelor, now residing in Philadelphia, Penn., with her daughter.

Of his immediate family he leaves a wife, son and daughter.

Mr. Vest removed to Missouri in 1853, when he was 23 years of age. He served in the Missouri Legislature before the war. He also served in the Confederate Congress. After the war closed he was elected to the U. S. Senate as a Democrat, and served until last year, when, owing to ill health, he declined a re-election.

We remember Mr. Vest well as a young man. He was slender, about 5 feet 9 inches high, thin-visaged, freckled face and red headed, and always carried his head on one side, as though rhynecked. He was a brilliant-minded and highly educated man, and it was always thought he would achieve the eminence that came to him afterwards. He fished up to as he grew older and no one who had seen him as a young man only would ever have recognized him in his later years.

His family were all old line Whigs, but he was a Democrat from his youth and often wrote for the old Frankfort Yeoman when published by Mr. Wm. Tanner, and afterwards by Col. S. L. M. Major.

All the Graham family of this city and county are cousins of his of more or less degree.

MY CROSSES.
A rose lay just across my path, last night,
So beautiful, so pure, so white;
I felt keen sense of pleasure and delight,
In its rare sweetness and its perfect bloom.
I dared not pluck it from the parent stem,
To wear 'mid social strife — or blush unken—
Within the cloister of my quiet room,
So from my window pane,
I watched the "harpies" in the driving rain
Swoop down and scatter all the petals white,
I have no rose to-night!
My friend went just across the way, last night,
So calm, so still, so white,
My very heart ached with its sense of flight—
Alone, amid the silence and the rain;
I dared not call him back to watch with me,
The signal light of love's eternity;
Or bear life's burden with its cares and pain,
And so I watched him vanish out of sight.
He gathered up my rose leaves—pure and white
And passed into the night!

FRANKLIN BAPTIST ASSOCIATION.
Frankfort, Ky., July 18, 1904.
The Franklin Association of Baptist Churches will convene with the First Baptist Church of Frankfort, on Wednesday and Thursday, the 24th and 25th days of August, 1904. Pursuant to an order made at the session of the Association in 1903, at Pleasant Ridge Church, it was thought advisable that a central, convenient and permanent place for the meetings of the Association be provided, and that the church, with which the meetings be held under this arrangement, be relieved of all the care and necessity of providing entertainment for the messengers and visitors, and this meeting is to be held under that provision. Ample room will be provided by the Frankfort Church in its former chapel for all visitors and messengers to spread lunch, etc. At a meeting of the Executive Board of the Association, held this day, this arrangement was unanimously adopted, and, by virtue of that arrangement, the place of the meeting the ensuing session was determined as at Frankfort. The Frankfort church, having previously tendered the use of their building for the above purposes, and under above conditions also. The following resolution was unanimously adopted:
Resolved, That a committee of four, viz: J. E. Kirtley, Jas. A. Scott, N. R. Armstrong and E. H. Jones, with the pastor of the Frankfort church, as ex officio, be appointed, whose duty it shall be to formulate a plan, and present it to the next meeting of the Association, whereby a suitable, central place, may be selected, and all other necessary arrangements for the consideration of the Association.

Resolved, That the Moderator of the Association be requested to give due notice of the above through the Frankfort papers, the Baptist Argus and Recorder.
U. V. WILLIAMS,
Moderator Franklin Association.

The following standing committees are requested to have their reports ready when the Association convenes:

I saw Doan's Kidney Pills advertised and so highly recommended that I was with hopes that they might help me that I went to J. W. Taylor's drug store and got a box. STAGE

The Louisville play, "Mrs. Wiggs of the Cabbage Patch," arranged by Mrs. Anna Crawford, from Mrs. Alice Hegan Rice's book, which was presented at the Capital Theatre last season by the original company, began its six weeks' engagement at Chicago last week. New York will have its first view of the place on September 5, when it opens at the Savoy Theatre for an indefinite run.

Contracts have been signed between Miss Nanette Comstock and James K. Hackett, whereby Miss Comstock will star under Mr. Hackett's management, beginning next season.

During the last four years Miss Comstock has been leading woman with many important productions and prominent stars, including Joseph Jefferson, John Hare, Sol Smith Russell, Otis Skinner and Henry Miller.

Her first success was made as Jenny Buckthorne in the original production of "Shenandoah," followed by successes in "Charles's Aunt" and "Lover's Lane" and her creation of the leading feminine role in "The Virginian." She appeared with William Culler in "The Dictator" until a week ago. Mr. Hackett plans to have Miss Comstock begin her winning tour as Virginia Carver in "Winning Churchill's" "The Crisis," opening early in September. She probably will appear later in a new play now being written for her.

Frankfort theatregoers will note with interest that James K. Hackett's great production, "The Crisis," is booked for an early appearance at the Capital Theatre.

The Rogers Brothers and their company, although they do not open till August 28th, are rehearsing day and evening. Evening rehearsals have begun earlier this season than in past years. When the curtain rises on the premiere at the Star Theatre in Buffalo, the reason for this most painstaking advance preparation will be plainly apparent. "The Rogers Bros. in Paris" will be quite "the biggest and best" of the McNally forces. Klaw & Erlanger have produced

for the Rogers. Herbert Gresham is starring the comedy parts, Ned Weyburn the dances and ensemble and Max Hoffman, the composer, is directing the rehearsals of his music. George V. Hays has provided a series of lyrics that are likely to attract considerable attention. John J. McNally's book is described as rapid-fire history of fun that will discharge sixty laughs a minute without cessation for three hours.

A. M. Palmer's all-star cast revival of "The Two Orphans" will open its season at the Colonial theatre in Boston, September 12th.

The cast of Klaw & Erlanger's production of "Ben-Hur," which will open its season in Milwaukee, September 15th, will include Alphonse Ethier, James J. Ryan, Robert McWade, Jr., Harry Weaver, Charles Riepel, Charles Canfield, William Averill, Frederick Scott, Augustine McHugh, Leopold Lane, Walter Markham, Thomas J. Tracey, George George, Rose J. Angell, Ellen Mortimer, May Burgess, Stella Boniface Weaver and Zaidee Appleton.

The cast of Klaw & Erlanger's production of the Drury Lane spectacle, "Mother Goose," which will open at the Olympic Theatre in St. Louis, September 4th, will present a quartette of noted comedians: Joseph Cawthorne, Harry Kelly, William McCart and Clifton Crawford. Lella McIntyre, Sven Aymer, Edith St. Clair and Edith Hutchins will be the leading women. A number of new specialties have been arranged for the coming season.

Klaw & Erlanger have engaged Joe Coyne as one of the principal comedians of their permanent musical stock company, which follows the Rogers Brothers at the New Liberty Theatre in October. Mr. Coyne made a hit three years ago as "Sir Archie" in "The Toreador," a role he played for two seasons, and last season he was very successful in "The Rogers Brothers in London." He possesses a quaint style of humor which particularly distinguishes him as the only comedian of his type on the American stage. Parts in the production to be made at the Liberty Theatre will be especially written for him.

GRAND LODGE U. B. F. AND S. M. T. IN SESSION.

The Grand Lodge of United Brothers of Friendship and Sisters of the Mystical Ten, a colored benevolent order, have been holding their annual session in the House of Representatives in the State Capitol.

There are a large number of the most prominent men and women of that race in attendance. Since its organization in 1881 this order has done a vast amount of good in the way of caring for the widows and orphans of members of the order, and of indigent members, and in burying their dead.

There was a largely attended reception, supper and dance given to the visiting members in the local hall, on Main street, and in the Armory, on Wednesday night. On yesterday the delegates and other members of the order paraded our principal streets and the strains of popular music rendered by two good brass bands.

The affair was well managed by Dr. E. E. Underwood, Thos. K. Rohb and others of the committees having the matter in charge. We congratulate them upon the good order maintained and the gentlemanly demeanor of the delegates.

"DO IT TO-DAY."

The time-worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will surely effect a cure—no matter how deep-seated your cough, even if dread consumption has attacked your lungs. German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 50c. At all druggists.

(The Evening Herald July 15, 1904.)
GEN. JONES DECLINED INVITATION.

To Speak at Blue and Gray Meeting at St. Louis—The Letter He Sent.

General Jones received an invitation to speak at the meeting of the Blue and the Gray at St. Louis today. The following is his response: "Binghamton, N. Y., June 28, 1904. 'Rev. E. Henry Byron, box 272, New Smyrna, Fla.: My Dear Sir—It affords me great pleasure to acknowledge the receipt of your invitation to attend and participate in the meeting of the Blue and the Gray at St. Louis on the 15th of July. I need not assure you that I feel highly honored by your remembrance, and it would afford me great satisfaction to accept, were it not for my disability (blindness). 'It was my fortune to command the first regiment in the Union service at the beginning of the 'late unpleasantness,' and I could not have believed that the bitter feelings that then controlled us would have been replaced by the kindly sentiments toward our one-time foes that now fill our hearts, but time has tempered the bitterness of the conflict, and it is with great pleasure that we now greet those whom we meet in deadly conflict on the field of battle. We have learned that there are two sides to the shield and we could not see them both at once. We recognize the fact that others of opposite views were as honestly convinced that they were in the right as ever we were. Although neither side has arrived at the compromise of opinion to admit that they were in the wrong, we are well satisfied to let bygones be bygones, and feel pride in the reunited country that we trust may never again be disrupted. Fraternally, 'EDWARD F. JONES,' (Dictated to secretary.)"

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

BETTER THAN GOLD.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Eder's Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for several years. No other medicine are just splendid for female troubles; that they are a grand tonic and invigorator for weak run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by all druggists.

The State College of Kentucky LEXINGTON, KY.

The Agricultural and Mechanical (State College) of Kentucky offers the following courses of study, viz: Agricultural, horticultural, chemical, biological, mathematical, physical, normal school, classical, mechanical engineering, electrical engineering, civil engineering, each of which extends over four years and leads to a degree. Post graduate studies are also provided, leading to a master's degree. Each course of study is organized under a separate faculty. The general faculty numbers nearly fifty professors and instructors.

County appointees receive tuition, room rent in dormitories, fuel and light, and if they remain less than ten months, traveling expenses. The laboratories and museums are large, well equipped, comprehensive and modern.

The legislature appropriated \$60,000 for a college home for young women and \$70,000 for drill hall and gymnasium for men. Both buildings are completed and in use. Military tactics and science are fully provided for as required by congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the college to supply. Last year the matriculation was 750.

Specialists with the necessary number of assistants have charge of each department of natural science. Summer schools are provided for pedagogy, engineering and instruction in science.

The State College of Kentucky, though bearing hitherto the title of "college," is the only institution in the Commonwealth doing in any proper sense, university work.

The completion of the college home for young women provides facilities for good boarding and lodging. It is equipped with all modern conveniences including both rooms and room for physical culture. It is heated by steam and lighted by electricity.

An opportunity is thus afforded to them of a thorough education in classics, modern languages, literature, science, mathematics, logic, metaphysics, history and political economy. No other institution in the State offers advantages for education of women at all comparable to those offered by the State College of Kentucky.

For catalogue, method of obtaining appointments, information regarding courses of study, and terms of admission, apply to JAMES K. PATTERSON, Ph. D. LL. D. Or to D. C. FRAZEE, Business Agent, Lexington, Ky.
